Rightway®

The Rightway app is your front door to pharmacy benefits.

Rightway is here to simplify your pharmacy experience. From finding the lowest drug prices to transferring prescriptions to a different pharmacy, our expert pharmacy team handles the time-consuming stuff so you don't have to.

One app for all of your pharmacy needs.

1 CONTACT US

Call or chat with the pharmacy team for expert support. Important updates will be sent to your inbox.

2 HOME

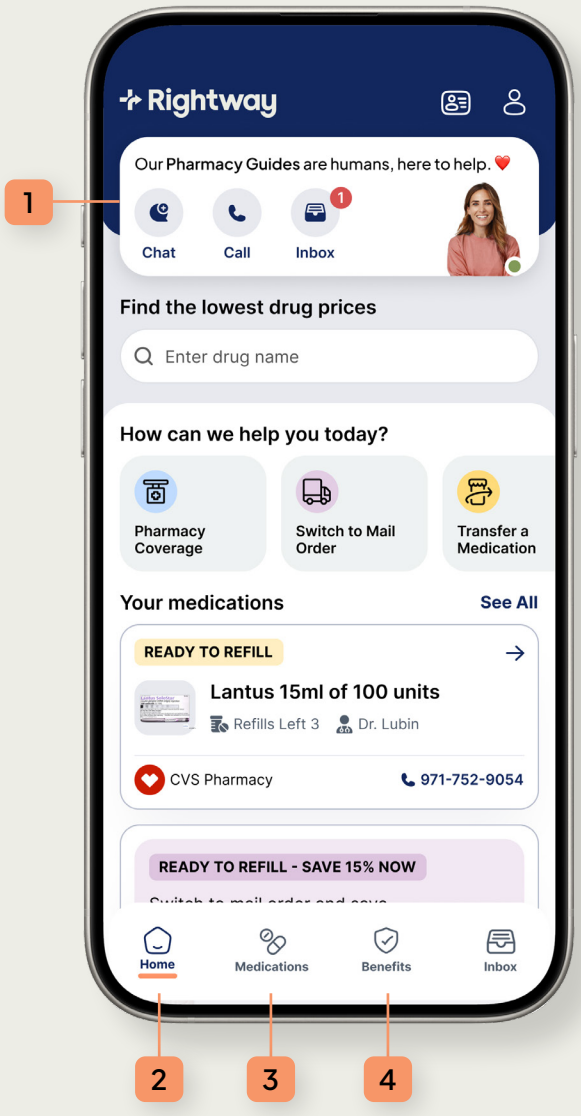

View prescription reminders, manage requests, and access helpful tools from the home screen.

3 MEDICATIONS

Compare medication prices at different pharmacies, keep track of your prescriptions, and learn about potential side effects.

4 BENEFITS

View your prescription drug coverage, pharmacy network, and digital ID card. Learn about mail-order and specialty pharmacy options.

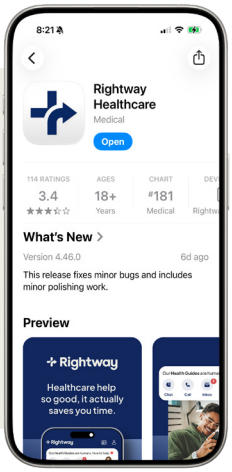

Rightway®

How to activate your Rightway account.

Getting started is easy and only takes a minute.

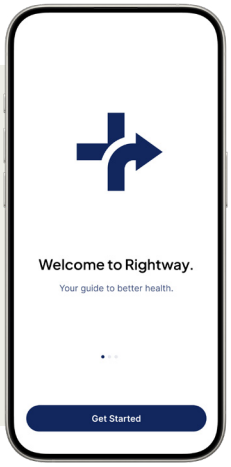

STEP 1

Download the Rightway app from the **App Store** or **Google Play**, or visit **joinrightway.com/rx**.

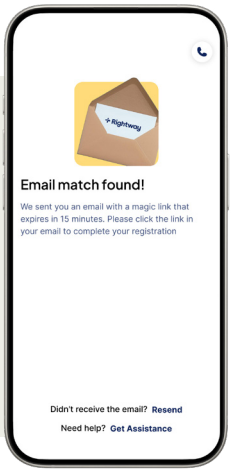

STEP 2

Click "**Get Started**" to enter your email address and confirm your date of birth.

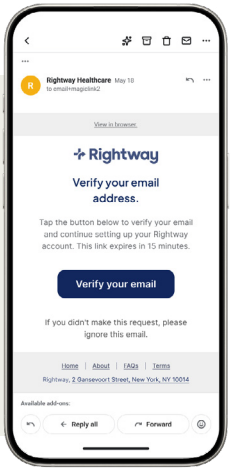

STEP 3

Rightway will send you a verification email.

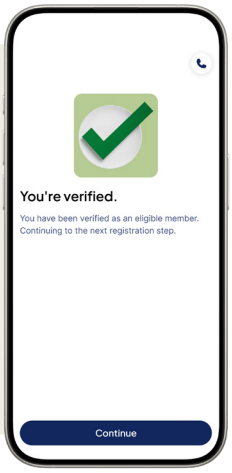

STEP 4

Check your inbox. Click the "**Verify your email**" link in the email.

STEP 5

Click "**Continue**" to create a password and complete registration.

Download the Rightway app to get started.

Once you activate your account, you'll have instant access to expert support and self-service tools.

Download on the App Store

GET IT ON Google Play
