Rightway®

We're here to help you manage chronic conditions.

We understand managing chronic conditions can be challenging and we're here to help every step of the way.

Expert pharmacy guidance.

Our licensed pharmacists and pharmacy technicians are here to help you:

+ Save money on medication you take regularly.
+ Understand your costs and coverage.
+ Set up mail-order prescription delivery.
+ Manage side effects and avoid interactions.

Specialty medication support.

Specialty medications come with extra steps. Our dedicated specialty team is here to make sure you have what you need, when you need it. We can:

+ Coordinate with your provider and pharmacy.
+ Manage the prior authorization process.
+ Connect you with copay assistance programs.
+ Switch you to a lower-cost option if appropriate.
